Why do I have to pay taxes on my boat/aircraft?

All business personal property and luxury property in the State of California is subject to an annual tax. Boats, except for those used in commerce or fishing, and personal aircraft are considered luxury items. I no longer own the personal property assessed on the Unsecured property tax bill. What should I do?

The owner of personal property on January 1, 2025 is responsible for payment of the Unsecured property tax bill. Disposal, removal, or sale of the property after January 1, 2025 will not affect the property tax bill and you must pay the bill in full. Property taxes are not prorated due to the sale or disposal of taxable personal property after January 1. Any proration of the tax is strictly a private matter between the seller and buyer. If the personal property was sold or disposed of before January 1, 2025, contact the Office of the Assessor for assistance at 714-834-2930 and to notify them that you no longer own the property to avoid getting the FY 2026-27 property tax bill.
